FROM THE CHAIRMAN'S DESK

Dear Friends

ASHA KI KIRAN FOUNDATION came into existence as a result of the motivation and personal initiative of its founder, Poonam Singh, to enhance the socio economic status of the underprivileged people. Hailing from rural family, the founder was no stranger to hardships faced by the underprivileged. Having overcome economic and social challenges, due to the backing and economic blessings from certain elder society leaders, the founder set out to do his best to make a positive difference in the lives of fellow underprivileged. Working with a team of committed people, ASHA KI KIRAN FOUNDATION aim has been to secure integrated development through people's participation. The key areas identified for interventions include child rights, Emergency Relief, education, health and hygiene, women empowerment. Our efforts have developed lasting association with government, non-government and corporate organizations as also with the communities and groups with whom we have worked. We have come a long way following a small beginning in Jan 2021, and have implemented a wide variety of projects related to child rights for change, reproductive child health care, quality education, watershed development, wasteland development, tribal development, low cost sanitation, alternate energy sources, self-help groups, vocational training to youth, and women empowerment in Palam Colony, Raj Nagar Part-2, New Delhi-110077 state in India. While implementing different developmental projects, our thrust has always been on working through people's participation. At Asha ki kiran foundation we have always believed in the capacities and capabilities of the communities, and have always strived to channel their hidden energies for the betterment of society at large. Our efforts have always been directed towards creating an environment that is conducive of enhancing opportunities to local people to think and act positively. We have always endeavored to develop skills and competencies of the local communities with a view to enabling them to operate and maintain the assets created through the implementation of the projects on sustainable basis.
