## FROM THE CHAIRPERSON’S DESK

Dear Friends,

It gives me immense pleasure to present the **Annual Report 2024–25** of **ASHA KI KIRAN FOUNDATION**. What began as a humble initiative in January 2021 has today grown into a strong and community-driven organization committed to uplifting the socio-economic status of underprivileged and marginalized communities.

The foundation was established with a deep personal commitment to serve society and bring meaningful change to the lives of those facing economic and social hardships. Coming from a rural background and having personally experienced challenges, the vision behind ASHA KI KIRAN FOUNDATION has always been rooted in empathy, resilience, and collective progress.

During the financial year 2024–25, we strengthened our efforts towards **integrated development through people’s participation**. Our key focus areas continued to include:

**Child Rights & Protection**

**Education & Skill Development**

**Health, Hygiene & Nutrition**

**Women Empowerment**

**Emergency Relief & Community Support**

This year, we successfully implemented and expanded various initiatives across Delhi-NCR, impacting children, women, youth, and vulnerable families. Our interventions focused on improving access to quality education, reproductive and child healthcare awareness, vocational training for youth, self-help group strengthening, sanitation awareness, and community capacity building.

One of our core strengths remains our collaboration with government bodies, non-government organizations, corporate partners, and community groups. These partnerships have enabled us to create sustainable models of development that empower communities rather than create dependency.

Throughout 2024–25, our emphasis has remained on community participation and ownership. We firmly believe that sustainable development is only possible when local communities are actively involved in planning, implementation, and monitoring of programs. Our efforts have been directed toward building skills, enhancing leadership qualities, and strengthening the confidence of community members so that they can independently manage and sustain the assets and knowledge created through our initiatives.

As we move forward, **ASHA KI KIRAN FOUNDATION** remains committed to expanding its outreach, improving program quality, and fostering inclusive growth. I extend my heartfelt gratitude to our donors, partners, volunteers, and community members for their unwavering support and trust.

Together, we will continue to spread hope, dignity, and opportunity.

Warm Regards,

Poonam Singh  
Chairperson  
ASHA KI KIRAN FOUNDATION
